

SOLAR PANEL REQUIREMENTS

- Contractors must be registered with the City of Celeste.
- Submit the permit application.
- Obtain an electrical permit prior to any work being done. The permit fee is \$125.00 and will cover 1 inspection.
- Submit 2 copies of the plans.
- Submit a letter from the engineer stating the roof will bear the weight of the solar panels. Must be stamped and signed by the engineer.
- Once work is completed, request the electrical inspection by calling the office during the normal business hours of 8:30am-12 and 1-3pm at 903-568-4512 or via email at citysecretary@cityofceleste.org.
